

Concierge Medical Practice

Unit 3, Business Park, 4 Lowes Ln, Wellesbourne
Warwick CV35 9RB
United Kingdom

Phone: 44 1451 600900

We are a members' only GP practice. We have a team of experienced family doctors who look after a small list of private patients. We do not have any part-time, agency or locum doctors - you will always see your own doctor, you can contact them by phone, email, text or video and we will always accommodate same day visits where clinically needed. Your doctor will always act as your advocate. We are a home-visiting Practice, all consultations and investigations are done at home and we have no time limits on our consultations.....its safer, more convenient and flexible and

much easier for you..Website:
