Premier Private GP is a trusted private healthcare provider in Surrey, dedicated to offering patients fast, professional, and personalised medical care. Our goal is simple: to give you the time, attention, and support you deserve, without the long waiting times often experienced elsewhere. We combine medical expertise with a compassionate approach, ensuring every patient feels listened to and cared for. Whether you need a one-off consultation, ongoing treatment, or preventative healthcare, our team is here to provide a service that puts your wellbeing first. At the heart of our practice is our Private GP service, which offers flexible GP consultations at times that work around your lifestyle. We understand how important it is to be seen quickly when you're unwell or in need of advice, which is why we provide same-day and next-day appointments whenever possible. Our doctors take the time to understand your concerns fully, creating a positive experience where your health is the top priority. We provide a wide range of medical services to meet the needs of both individuals and businesses. Our blood tests are carried out quickly and efficiently, with results explained clearly and professionally. We also offer thorough health screening programmes, designed to check key areas of your wellbeing and give you peace of mind. For those requiring workplace medicals, we conduct employment medicals, insurance medicals, taxi driver medicals, and HGV driver medicals, ensuring all assessments are completed to the required standards with professionalism and accuracy.
