

King's House Conference Centre

King's Church, Sidney Street
Manchester, Greater Manchester M1 7HB
United Kingdom

Phone: 0161 276 8194

Located in the heart of Manchester city centre, King's House Conference Centre offers a comprehensive range of professional spaces and services for events of all sizes. Whether you're organising a corporate meeting, training session, seminar, exhibition, or a full-scale conference, our flexible facilities are designed to meet your exact needs. We specialise in room hire and venue hire in Manchester, with spaces that range from small meeting rooms to our large-capacity auditorium, ideal for keynote presentations, lectures, AGMs, or award ceremonies. All rooms are fully equipped and maintained to the highest standards, combining comfort,

convenience, and cutting-edge facilities. Our venue includes purpose-built page 1 / 2

conference rooms, seminar rooms, training room hire, and workshop spaces, giving you the flexibility to choose the right layout and scale for your event. Whether you need a space for 10 or 500 attendees, King's House provides options for breakout rooms and exhibition space, ensuring your event flows seamlessly from start to finish. Each room benefits from air conditioning, natural daylight, and mechanical ventilation, creating a pleasant and productive environment for your delegates. From intimate board meetings to multi-day conferences with parallel sessions, we offer versatile spaces that adapt to your agenda. We also offer an extensive range of audio-visual equipment hire to support your technical needs. From full PA system hire for panel discussions or speeches, to wireless microphone hire for Q&As or roaming presentations, we ensure every voice is heard clearly. For visual support, we provide LCD projector hire, projection screen hire, and laptop hire – everything you need to deliver professional presentations without logistical stress.
